Subject: Written Testimony SB 16 HB 5416

To Whom It May Concern:

I am writing to voice my opposition to SB 16 and HB 5416. I believe these two bills infringe upon the rights of law abiding citizens. An increased enforcement of laws already on the books would be a more effective method. In the case of HB 5416, any law abiding person is entitled to defend their home, property, and persons within their home, or automobile, with any means necessary against any unlawful acts PERIOD. Law abiding citizens should not have to retreat in their home or auto if they deem their safety, or the safety of their loved ones is at risk. I hope you vote against both these measures to protect the rights of law abiding citizens. The last four words of the 2nd Amendment are quite clear: "shall not be infringed". Thank you for your time.
